Austin Independent School District

dell children's medical center of central texas
A member of the Seton Family of Hospitals

SUMMARY OF STUDENT HEALTH SERVICES

Children's/ AISD Student Health Services are committed to providing safe care for students during school hours in collaboration with AISD school staff. The unique and nationally recognized collaboration between Seton Healthcare Family and Austin ISD has been in place since 1996. Registered Nurses lead the campus health team, which includes School Health Assistants and AISD staff. The Medical Director serves as a consultant with Student Health Services, developing procedures and services which promote health, wellness, and safety. Services are provided for student's ages 3 to 22 years of age and include:

Illness and Injury Care

- Illness and minor injury care, emergencies, and referrals
