Our Physicians

Melinda Rainey, MD

Dr. Rainey earned a B.S. in Microbiology from University of Texas at El Paso and a Master's in Molecular Genetics from the University of Texas at Austin. She subsequently attended Baylor College of Medicine in Houston for medical school and finished her ophthalmology residency at Cullen Eye Institute/Baylor College of Medicine. In 1997, she completed a fellowship in pediatric ophthalmology and strabismus at Texas Children's Hospital in Houston. She became board certified in Ophthalmology in 1998.

She is a fellow of the American Academy of Ophthalmology, a member of the American Association for Pediatric Ophthalmology and Strabismus, Texas Ophthalmology Association, Texas Medical Association, and Texas Society for Pediatric Ophthalmology and Strabismus.

M. Hillary Onan, MD

M. Hillary Onan, M.D. graduated from The University of Texas at Austin with a Bachelor of Arts degree in Economics with highest honors. She then earned a Doctor of Medicine degree with Honors from Baylor College of Medicine in Houston, where she was a Presidential Scholar. She completed a transitional internship at St. Joseph Hospital in Houston followed by an ophthalmology residency at the Cullen Eye Institute at Baylor College of Medicine. Her training in pediatric ophthalmology and adult strabismus was completed at Texas Children's Hospital.

Dr. Onan is board certified by the American Board of Ophthalmology. She is a member of the Travis County Medical Society, Texas Medical Association, Austin Ophthalmological Society, and the American Academy of Ophthalmology.

Dr. Onan provides comprehensive ophthalmologic care to children. Her adult practice is limited to those patients with strabismus or neuro-ophthalmologic problems.
