

Ascension Seton

AMOUNT GENERALLY BILLED CALCULATION

July 1, 2019

Ascension Seton calculates one AGB percentage using the “look-back” method and including Medicare fee-for-service and all private health insurers that pay claims to the Organization, all in accordance with IRS Reg. Sec. 1.501(r)-5(b)(3), 1.501(r)-5(b)(3)(ii)(B) and 1.501(r)-5(b)(3)(iii). The details of that calculation and AGB percentage is described below.

The AGB percentages for Ascension Seton are as follows:

Dell Seton Medical Center UT	24.5%
Dell Children’s Medical Center	73.8%
Ascension Seton Edgar B Davis	31.0%
Ascension Seton Hays	18.9%
Ascension Seton Highland Lakes	28.3%
Ascension Seton Medical Center Austin	21.9%
Ascension Seton Northwest	23.0%
Ascension Seton Southwest	32.9%
Ascension Seton Williamson	17.8%
Ascension Seton Shoal Creek	40.1%
Ascension Seton Smithville	28.1%
Physicians’ Professional Fees	39%

This AGB percentage is calculated by dividing the sum of the amounts of all of the hospital facility’s claims for emergency and other medically necessary care that have been allowed by Medicare fee-for-service and all private health insurers that pay claims to the hospital facility by the sum of the associated gross charges for those claims. The only claims that are utilized for purposes of determining the AGB are those that were allowed by a health insurer during the 12 month period prior to the AGB calculation (rather than those claims that relate to care provided during the prior 12 months).

Notwithstanding the foregoing AGB calculations, Ascension Seton has chosen to apply lower AGB percentages as follows:

AGB for all hospital facility and physician professional fees charges: 15%
