Dell Children's Sleep Lab

Patient's Private Room

Each private suite includes a patient bed, parent couch and bathroom.

Dell Children's Sleep Lab

Parent Fold-out Couch

Parent sleeps on a fold-out couch overnight.

Dell Children's Sleep Lab

Sleep Study Set Up

Sleep technicians will apply leads to the child for the study. It's a completely painless process.

Kids are encouraged to bring items that help with distraction and comfort such as toys, iPad, DVD, favorite stuffed animals, etc.

Dell Children's Sleep Lab

Private Bathroom

Each suite includes a private bathroom with a sink, toilet and shower.

Dell Children's Sleep Lab

Kitchen Bay

Parents can help themselves to the sink, mini fridge and coffee maker. Assistance from sleep technicians is also available.

Dell Children's Sleep Lab

Technician Center

Sleep technicians will be in the lab through the night monitoring the patient's sleep.
