

Dear Dell Children's Patients, Families and Visitors,

We are excited to announce that we are continuing the growth on our campus to better serve patients in Central Texas. On May 4th, we will be breaking ground on a new patient bed tower and parking garage. The patient bed tower will be located on the south end of our campus and will include 72 additional patient rooms. The parking garage will add over 1,000 parking spaces to our campus for our patient families and visitors.

The new parking garage will replace our current main visitor lot located near our main entrance at Mueller Blvd. This means that our visitor lot will be closed beginning May 4, 2021. All families and visitors will be directed to park within our Associate Parking Garage located directly across from our main visitor lot and the Ronald McDonald House. There will also be available parking in a small surface lot at the corner of Barbara Jordan Blvd. and Mueller Blvd. See the attached campus map for more details.

Our new bed tower will be located on the south end of campus. Patients, families and visitors requiring outpatient imaging studies, rehabilitation services, clinical services at the Specialty Care Center or the new Specialty Pavilion, as well as behavioral health services, will now park in our new Green Garage. The Green Garage is located at the corner of Philomena St. and Mueller Blvd. as indicated in the attached map.

If you are currently parked in our main visitor lot, please remember to move your vehicle to the Associate Parking Garage no later than Monday, May 3rd at 6:00 pm.

Parking on the Dell Children's campus will remain free of charge. We appreciate your patience as we continue to grow while caring for our patients and families. Please direct any questions or concerns to your care team or contact us at 512-324-3107 or kelsey.vance@ascension.org.

Sincerely,

Dell Children's Leadership
