

Sports physicals and annual checkups

Sports physicals are a Dell Children's Health Plan value-added service for STAR and CHIP members ages 6-18 when performed by the primary care provider on record. If the member is due for a Texas Health Steps checkup or CHIP well-child checkup, the provider should complete both the sports physical and all the components required for the annual checkup.

Providers may bill and receive reimbursement for both services. However, a sports physical is not a reason for an exception-to-periodicity checkup. To bill for a sports physical, use CPT code 99212 and diagnosis code Z02.5. No additional modifier is needed.
