

All MCOs: Hurricane Delta and Laura Information for Medicaid Providers

Background:

Texas providers rendering services to evacuees from Louisiana due to Hurricane Delta and Laura may complete the Hurricane Emergency Expedited Application with Louisiana Medicaid to receive reimbursement for services rendered to Louisiana Medicaid clients for the fee-for-service program.

If providing care to a Louisiana managed care enrollee, providers will need to contact the clients' MCO in order to be reimbursed for services provided. Refer to the [Healthy Louisiana Hurricane Laura Provider Assistance Frequently Asked Questions \(FAQ\)](#) document for MCO credentialing contact information.

Summary of Request:

HHSC is requesting that you share this information with the providers in your network.
