Policy Update

Drug Screen Testing

(Effective March 1, 2022)

Effective March 1, 2022, separate reimbursement is not allowed for specimen validity testing when utilized for drug screening. Reimbursement is included in the CPT[®] and HCPCS code descriptions for presumptive and definitive drug testing. Modifiers 59, XE, XP, XS, and XU will not be allowed to override.

For additional information, please review the Drug Screen Testing reimbursement policy at <https://provider.amerigroup.com/tx> > Claims > Reimbursement Policies > Medicaid > Laboratory.
